Freelance UX Designer FAQs

Q: What's your design process like?

A: I follow a user-centered approach: research, wireframes, prototypes, and iterations based on feedback.

Q: Do you also handle development?

A: I focus on UX/UI design but provide developer-ready files and collaborate closely with dev teams.

Q: How long does a typical project take?

A: Landing pages usually take 1–2 weeks; larger apps or websites vary by scope.

Q: Can you work with my brand guidelines?

A: Yes, I adapt to your existing style or help create a fresh visual identity.

Q: Do you provide revisions?

A: Absolutely, I include revisions in every project to ensure alignment with your goals.
